Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit you to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. All campuses will accept IGETC EXCEPT for UC, San Diego's Eleanor Roosevelt and Revelle Colleges and UC, Berkeley's School of Business Administration.

The IGETC is not advisable for all transfer students. If you are pursuing a major that requires extensive lower-division preparation you may be better served by taking courses which fulfill the CSU General Education-Breadth requirements or those of the UC campus or college to which you plan to transfer. Majors include, but are NOT LIMITED to: Engineering, Business, Pre-professional programs.

Restrictions: A student who has been registered at a UC campus is not eligible for IGETC. This restriction does not apply to students who have taken UC summer session or Extension classes only.

Certification: Be sure to request certification when you request transcripts be sent to your choice of university or college. The course requirements for all areas MUST be completed before IGETC can be certified. All courses MUST be completed with grades of "C" or better. Transfer courses must be equivalent to Napa courses unless they are on the IGETC list at the campus where completed.

Directions: Circle courses taken at the college currently attending, list courses taken at other colleges, indicate name of test if requirement was met with Advanced Placement.
